Farewell Fr. Thomas!
You are invited to say “goodbye” to Fr. Thomas Naidu, Associate Pastor, as he leaves Holy Family Catholic Community for his new priest assignment in the Dominican Republic. You’ll have an opportunity to thank him for his pastoral leadership to Holy Family during his time here with us. Come wish him well at Holy Family Hall after the 4:15 pm Mass at Holy Family Church on Saturday, March 28. Cookies will be served. If you wish to give a gift, you may either bring it with you to the reception on March 28 (checks should be made out to Fr. Thomas Naidu) or give it to the receptionist at the parish office by Friday, April 3. Fr. Thomas will celebrate his final Masses at Presentation and Our Risen Savior parishes on Easter Sunday. If you have any questions, please call the parish office.

Where were you in the year 2000, when Holy Family Catholic Community was formed after the merger of six local parishes? As part of our 20th Anniversary celebration, we thought it would be fun to ask our clergy and staff members what they were doing in that year! Here is another of their responses!

Fr. Ryan Pruess, Pastor: “In 2000, I was still living at home with my parents in Slinger. I was a Junior at Slinger High School and was enjoying being an “upper classmen” at the time. I remember how big the Y2K crisis was, and I convinced my parents to fill the bathtub on New Year’s Eve with water and buy bottled water and food so that we would be ready if everything crashed. My car at the time was a 1989 gray Chrysler New Yorker. I was working at George Webb’s at the time as a cook and server, so I saved up enough money to buy my own car from an old couple in West Bend. That car took me everywhere. After a few years of driving that car, I upgraded to a GMC Jimmy 2-door, which I took four-wheeling up north with my brother and a friend. We were in way over our heads at this four-wheeler rally, but found that we were able to keep pace with the big trucks for most of the event. The year 2000 was also the year I was Confirmed. I remember not wanting to attend my Christian Formation classes, until one day an old religious education instructor contacted me and told me to get to formation classes because they were important, and she thought I needed to be there because she always felt I would one day become a priest. At this point in my life, I had very little interest in becoming a priest, although it was always in the back of my mind. I ended up returning to Religious Education and being Confirmed. I took the Confirmation name of George after St. George, the patron saint of Boy Scouts. The year 2000 was also the year I opened my own vending machine business. Vantage Vending Service was the company name. I incorporated it myself and handled all the bookwork. I loved visiting my clients and refilling the machines I had placed in various businesses around Washington County. The best part of the job, though, was going to Sam’s Club and buying the candy I needed in bulk quantities! My entrepreneurial spirit was alive and well! The year 2000 also marked the year I started working at a debt collection agency in Germantown. I was hired on with one other person as an intern to do data entry. It turns out that even though I was good at data entry, when given the opportunity to make debt collection phone calls, I discovered that I was even better at that. So after only a few months I started to “work the phones.”

New Director

We are pleased to announce that Ellen Kant, our current Business Manager, has now moved to a full-time director position with Holy Family as of February 1, 2020. Ellen will be continuing to handle the parish’s financial matters, but will add human resources management to the position. Ellen’s new title will be Director of Finance and Human Resources. She joins the other four directors as a member of our Amazing Parish Leadership Team. We wish Ellen the very best in this new full-time endeavor.

First Sunday of Lent

So soon after having received ashes this past Wednesday and having heard the words, “Remember you are dust, and to dust you shall return”, the Church places before us today in the first reading the account from the Book of Genesis of the creation of man. It was from the earth - from the dust, the clay - that man was crafted, intimately fashioned by the hands of the Creator. But this dust, even more curiously, is translated as pulvis in Latin, literally a fine powder. It serves as the root of the word: pulverize. I propose this as the apt image for our consideration as we enter more deeply into the season of Lent.

To be pulverized, to be reduced to a fine powder, is to become utterly defeated. In a sense, this is the spiritual goal of the Lenten practices of fasting, prayer, and almsgiving. The Church desires for our disordered passions to be pulverized, broken down into indeterminate pieces. However, this defeat is not in service of itself but is ordered more richly towards our being built up again in Christ. It is by being reduced to dust, to a fine powder, that we are more readily able to be mixed as leaven into the “dough” of society. As we continue to march towards that Easter Sunday, let us remember that we are dust, reduced so that Christ may live within each one of us! (Galatians 2:20)

Gospel Reflection | March 1 | First Sunday of Lent

We are Participating in a Parish-wide Survey!

Along with the Archdiocese of Milwaukee, Holy Family Catholic Community will be participating in a parish survey about discipleship conducted by the Catholic Leadership Institute! We need your help!

Please help us by participating in a 10-15 minute survey online. The survey can be accessed at: disciplemakerindex.com from February 23 to March 23.

The survey will ask you to reflect on your own spiritual growth and enable you to provide feedback on our parish’s efforts to help you grow. All responses will be confidential, and the parish will only receive information about the community as a whole.

We are trying to get the highest response rate possible. This information will be invaluable to Holy Family and our various ministries as we plan for the future and strive to be the best disciples we can be. We will receive the results this spring/summer at which time we will share what we have learned with the entire parish.

If you don’t use the computer, there will be opportunities to obtain a paper copy at the front desk of the Holy Family Office.

Thank you for helping with this important project!
