# At-Home Service Weekend

13 & 14 February 2021

Read

Typically, an at-home service weekend would involve finding some sort of tangible service to do in the local community, signing up, and doing that service. This year, with the absolute craziness of our world amid this pandemic, we have been forced to adjust our plans & lifestyles in many uncomfortable ways, and our Catholic approach to service is no different. Many conventional forms of service can no longer be conducted safely due to the pandemic and surrounding protocol. While 'certainly we wait for a time when we can return to normalcy & 'the old way of doing things,' our maneuver this weekend is to ask & answer the question: how can we serve the world during this pandemic? Christ gave us a perfect example of love, and we see in his life and death a model for each of us: our vocation (or calling) is to love the world and to do so radically. This weekend, carve out a few hours from your busy schedule & daily life & complete the WATCH, RESEARCH, and REPORT steps below.

Our city & our world need us, need our time & our love. Thank you for saying yes to our Lord's call to meet those needs.

Watch

Watch [this video](#) on how Christ's example informs the way we serve our communities.

Research

Use [this website](#) to find a service agency, group, or opportunity in the Fond du Lac area. (if you know of a local organization or agency not on the list that you would like to research/report on, please feel free to do so!)

Ask yourself the following questions:

1. What physical, emotional, or spiritual need does this agency respond to?
2. How can I & other young people volunteer with this agency during COVID-19?

Report

Fill out [this form](#) to let me know what you learned from your research!
