Start your new year off with FORMED

In 2022, have you set a resolution to grow in your faith? In an 8-minute video, Dr. Christopher O. Blum reflects on the importance of making our New Year's resolutions spiritual and centered on the theological virtues of faith, hope, and charity. To watch this video, visit formed.org, and search for "FORMED Now! New Year's Resolution." In Luke 11, the disciples humble themselves and ask Jesus how to pray. If you'd like tips on how to build your relationship with God through prayer, consider watching "FORMED Now! How to Pray" (31 minutes).

Happy New Year! Ringing in the new year gives us an opportunity to look back on 2021 and see the many ways in which God has made his presence known to us. We see how God has guided our community, supported us, and blessed us. God blessed the work of our hands, our study, our lives, our projects, and our families and for this we are extremely thankful. We know that there were moments of sadness as well but everything works out in God's time and according to His plan.

The new year gives us a time to relax and cherish the sweet memories of friendships, family, and fun. We give thanks to God for the people in our lives whom we hold close to our hearts. We thank God for those who have cared for us, loved us, prayed for us, and assured us of their continued support.

As we take this first step into 2022, let's ask God to continue to send his blessings upon us, our families, and our parish. May the Holy Family continue to intercede for us with Jesus as our Savior. May the Holy Mass continue to draw our families closer to Christ living as one holy family bringing the Good News to the world.

Wishing you all a very grace filled new year.

- Fr. Ryan Pruess
