March For Life

Hey, there!

We are so excited to announce that registration for the March for Life 2022 trip with Holy Family is now OPEN!

There is a very limited number of spots available, so keep that in mind when considering the trip- spots will go quick. The seats on the bus will be offered to SMSA students, as well as Holy Family faith formation students. Due to the limited amount of spots, completing the registration form does NOT mean that you are officially registered for the March for Life 2022 trip. Spots will be filled on a first come, first serve basis- reservations for spots will be taken in registration order based on submission date of the JotForm including a down payment. You will be notified by November 8th that your registration has been accepted. At that time, you will be asked to submit a \$100 down payment (checks made out to Holy Family Catholic Community, subject line: March for Life).

This year we are taking a combined trip with St. Francis Borgia Parish in Cedarburg. The cost per participant will be \$160. This low cost is due to very generous support from the Respect Life committee at St. Francis Borgia and their local chapter of Knights of Columbus. Additionally, students will be asked to cover their own food and souvenir costs.

The trip is a super quick one- that doesn't include an overnight stay in a hotel, so it will certainly be a wild ride. Some timing details are yet to be determined, but the general overview of the timeline is as follows: Leave in the afternoon on Thursday, January 20th from Fond du Lac to meet the rest of the crew in Cedarburg. Leave from Cedarburg to drive through the night and arrive in Washington D.C. pretty early on Friday January 21st. During the day on Friday, there will be a couple of hours to visit monuments/museums, then attend the rally, and walk the March. Around 7pm on Friday, we will depart and drive overnight to arrive back in Cedarburg around 10am on Saturday, January 22nd and then of course, the drive back to Fond du Lac.

Students/parents can register using this link: <https://form.jotform.com/acords/marchforlife2022>
