A letter from your Holy Family Priest | Thank you, Holy Family!

During the days of Easter, as you very well know, we were reading the book of the Acts of the Apostles in all the first readings. The liturgy gave us in each of the readings the apostolic adventures of the apostle Paul, his preaching, his challenges, his difficulties, the persecution suffered, but above all the joy that he had in his heart to announce the Gospel. It is difficult not to feel the strong inspiration that the apostle provokes in our lives. It definitely moves us to want to imitate him. There is a passage in which we are told that the apostle after completing his first missionary trip went back to Antioch, the community that had formed him and had sent him with Barnabas on the mission. **"When they arrived, they called the church together and reported what God had done with them."** It is a great moment. They shared their experiences. Without a doubt, Fr. Alejandro and I have so many experiences that we have lived among you, things that the Lord has done and are already part of the growth of our faith.

So, I don't want to lose the opportunity to use today's bulletin to reach all of you and on behalf of Fr. Alejandro and myself, to express our gratitude, first of all to God for the vocation in which we were called to be priests. Secondly to thank the Missionary Fraternity of Mary and the Archdiocese of Milwaukee for having sent me here among you; and then to thank all of you: Holy Family Community, a community in which we live so many experiences that have enriched your lives and our priesthood. Fr. Alejandro and I are prepared for our new mission and we are happy to share the great things that God has done in our midst. **God bless you!**

- Fr. Fabián
